

MID-AMERICA ORCHID CONGRESS SHOW SCHEDULE

The Mid-America Show Schedule has been developed by members of the Show Schedule Committee of the Mid-America Orchid Congress. It is reviewed annually and revised when appropriate. The schedule should be used at orchid shows hosted by member societies of the Congress, and it must be used at shows held in conjunction with the annual meetings of the Congress.

The host society **may expand** the Show Schedule class numbers by adding sub-classes in classes where many entries are expected (e.g., 25a, 25b). **Classes may be eliminated** where no entries are expected. However, the numerical order of the classes **must** remain the same.
